

# SHOROOK KHALED ABDELGAID

## MERN STACK DEVELOPER

✉ shorookkhaled559@gmail.com ☎ +201019597977 📍 Cairo, Egypt

🌐 [www.linkedin.com/in/shorookkhaled222](https://www.linkedin.com/in/shorookkhaled222) 🌐 <https://github.com/shorookkhaled559>

### Objective

---

Full Stack Developer specializing in the MERN stack, with hands-on experience in building scalable web applications and integrating secure APIs. Seeking to contribute technical expertise, problem-solving skills, and a passion for clean code to a forward-thinking team working on impactful digital solutions.

### Work Experience

---

#### **MEAN-Stack Web Development** *NTI & Ministry of Communications and Information Technology*

Completed intensive full-stack training in MEAN (MongoDB, Express.js, Angular, Node.js), gaining hands-on experience in developing and deploying responsive, data-driven web applications with RESTful APIs and NoSQL database integration

Score: 95% | Total Hours: 120 (90 Technical + 30 Freelancing Coaching)

(December 2024 – February 2025)

Fayoum, Egypt

### Education

---

Bachelor's in Fayoum University

faculty of computer science, Department of Information Systems

09/ 2022 - 07/ 2026

Fayoum, Egypt

### Projects

---

**Online Book Store (MEAN Stack)** Developed a user-friendly online bookstore allowing registered users to browse, purchase, and review books. Features user authentication, JWT security, and MongoDB for data management. 🌐

**QR Code Attendance System** (Node.js & MongoDB), Built a backend system for university attendance tracking using QRcodes, enabling instructors to generate session-based QR codes and track student presence via an admin dashboard 🌐

**Arabic to sign language translator.** 🌐

## Technical Skills

---

- Node.js
- Express.js
- Database: MongoDB, Mongoose
- Version control systems (Github, Gitlab)
- API Testing & Development: Postman, Swagger
- Authentication & Security: JWT, Firebase Authentication
- Client-side technologies (HTML, CSS, JavaScript, Bootstrap, API, Angular, React)
- Good understanding of Software Development Life Cycle- SDLC
- Containerization (Docker)
- RESTful APIs
- Problem Solving
- UI/UX Basics

## SOFT SKILLS

---

- Motivated, well-disciplined
- Teamwork and multitasking
- Problem-solving and analytical thinking
- Strong presentation and interpersonal skills
- Quick learner and adaptable
- Leadership and communication skills
- Time management under pressure
- Troubleshooting and flexibility

## Certifications

---

- Introduction to Computer Science
- MEAN Stack Development ITI
- MEAN Stack - NTI (Score:95%)

## Languages

---
